<u>MRI HousingBrixx Training Courses 2022</u>

Day 1 gives attendees a solid foundation in using the core features of HousingBrixx and is a prerequisite for the Day 2 training. Day 2 builds on Day 1 in content and detail, bringing in more of the sophisticated modelling tools.

Users require both sessions to be able to build and flex a detailed HousingBrixx model.

Please e-mail gpsscheduling.EMEA@mrisoftware.com for a booking form.

The cost is £350 per day, per delegate (excluding VAT).

*Courses are being run remotely until further notice – contact us for details on how to attend/access Description
