# HOW TO USE PARTNER BADGES

General guidelines for using partner badges

- **Keep the focus on your company.** The MRI Software Partner Connect badge should not be more prominent than your company's logo. It must be clear that all advertising, promotional materials and correspondence is from your company, not MRI.
- **MRI is not a sponsor of your promotions.** Unless otherwise arranged and approved, your use of the MRI Software Partner Connect badge should not imply MRI's sponsorship of your promotions.
- **Do not modify partner badges and follow spacing and size guidelines.** Partner badges must:
  - Not be edited or modified
  - Be no smaller than .9" tall
  - Have a minimum of .25" of blank space surrounding the border

# USING MRI SOFTWARE LOGO & TRADEMARK

## What is the correct way to refer to MRI Software?

Context is key. MRI Software must always be used as the full company name in writing for the first mention, then MRI may be utilized after that.

## Use of MRI Software Logos

Use of the MRI Software logo must be approved in all cases. In the event the logo is used in a co-branded campaign, usage must be in accordance with the standards set forth below.

Use the MRI Software logo with tagline to designate MRI as one of your partners (e.g., on your website's partner page)

Use Partner Connect badges to designate your participation in our program, and in any of your advertising and promotional materials

# PLEASE MAKE THE FOLLOWING CHANGES...
